

1431 Sunna Long Sleeve Crew Neck Ladies

keeps the body warm & dry

Extremely comfortable, lightweight functional bodywear set for intensive physical exertion or stop-and-go activities in fair and cold conditions. The fabric has excellent moisture transport properties and therefore offers a high level of comfort. At the same [time](#) it insulates against cold, ensuring the body temperature remains constant.

fibre technology

Polyester on the inside provides excellent thermoregulation and comfort. Polyester base layers wick moisture away from the skin, breathe efficiently and dry fast to provide a foundation of comfort and temperature regulation for any activity.

hygiene and freshness technology

The SILVERPLUS® finish protects textiles from unpleasant body odours. This biocidal product for hygiene and freshness uses the power of silver to bring long-lasting antibacterial properties to garments. The technology is eco-friendly and conforms to [bluesign®](#) and OEKO-TEX® Standard 100.
