SELLING ARGUMENTS

- Designed to offer support and stability in dynamic environments and support during long standing hours
- Being slip resistant according to SR and adjustable in fit, the Caris Pro allows extra comfort and grip while working in a stressful environment
- Extensively tested in collaboration with workers in the service industry and doctors or nurses in Germany throughout its development phases by our engineering, development, and design teams to provide an effective solution for the market and a product aligned with Birkenstock values of foot health.
- The chosen material enables easy cleaning of both the shoe and footbed. Allowing medical or catering staff to adhere to strict hygienic regulations.
- Extra heel padding and cushioning support feet while walking and standing for long hours of working

CERTIFICATIONS
